Puzzle

Our playful solution
for acoustic enigmas

Inspired by the classic jig-saw shape, Puzzle is a modular set of panels that exudes a fun, playful & reassuringly familiar look while delivering on great acoustic properties.

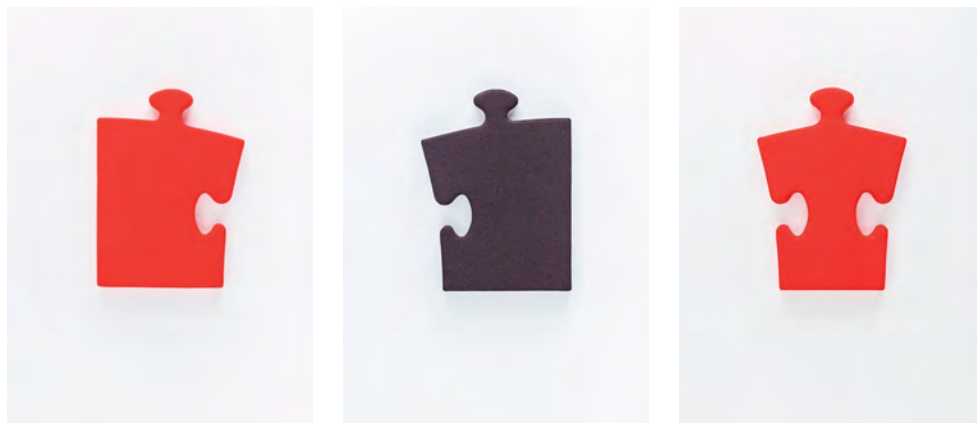

DE

Puzzle ein modulares, vom klassischen Puzzlespiel inspirierter Satz Paneele, die einen vergnüglichen, verspielten und beruhigend vertrauten Look ausstrahlen und gleichzeitig großartige akustische Eigenschaften bieten.

PL

Modularny zestaw paneli Puzzle inspirowany kształtem klasycznej układanki emanuje zabawnym, kojąco znajomym wyglądem, jednocześnie oferując doskonałe właściwości akustyczne.

The traditional image of acoustic panels revolve around a serious, simple and technical device that absorbs noise efficiently and resists frivolity. Puzzle breaks the dogma and portrays acoustics from a cheerful perspective.

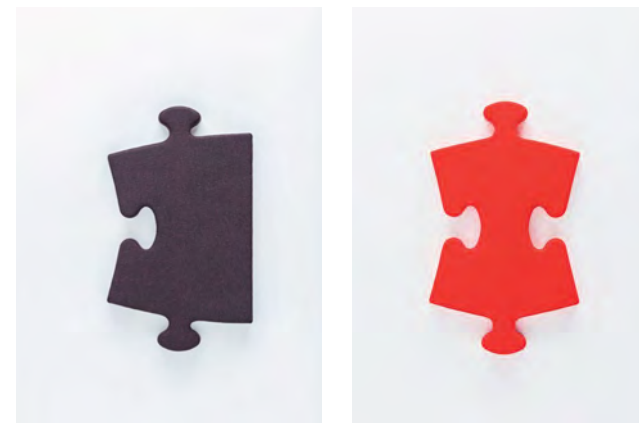

DE

Traditionell werden akustische Paneele mit ernsten, einfachen, sehr technischen Vorrichtungen assoziiert, die effizient Schall absorbieren und nicht zu Spielereien neigen. Puzzle bricht mit diesem Dogma und zeigt die heitere Seite von Akustik.

PL

Tradycyjne panele akustyczne kojarzą się zazwyczaj z poważnym i technicznym urządzeniem, które wydajnie eliminuje zarówno hałas, jak i wszelką frajdę. Panele Puzzle przełamują ten dogmat, ukazując zabawną stronę akustyki.

Playful individuals are remarkable for their ability to adapt to almost any situation. The same applies to our Puzzles: they easily fit in almost everywhere. By combining the 5 key Puzzle pieces, you can build infinite tableau structures or use random pieces in free style.

Design by Paul & Kate Brooks

DE

Verspielte Personen sind für ihre Fähigkeit bekannt, sich an praktisch jede Situation anpassen zu können. Das Gleiche gilt für unsere Puzzles: Sie passen überall. Durch Kombinieren der 5 wichtigsten Puzzle-Teile können Sie unendlich viele Szenenstrukturen erstellen oder dem Zufall einfach freien Lauf lassen.

PL

Osoby zabawne z natury cechuje niesamowita zdolność adaptacji do niemal każdej sytuacji. To samo dotyczy naszych paneli Puzzle: pasują właściwie wszędzie. Połączenie 5 podstawowych elementów Puzzle pozwoli na zbudowanie przeróżnych struktur lub wykorzystanie pojedynczych paneli w dowolny sposób.
